

SIMON SHAPIRO BETWEEN THE NOISE

Scream

words and music by Simon Shapiro

Even awake you'll never escape the dream
Still life in waiting frozen in time you seem
Wave at the searchlights but nobody ever sees

The time for quiet is over
Polite has got you nowhere
All that you can do is

Scream so everyone can hear you
Scream like you just don't care what they'll do
All that you can do is
Scream

When you're asleep it's always a better seen
Nobody gets the better of you in dreams
Why does the real world bring you down to your knees?

The time for waiting's over
Debating got you nowhere
Ain't it time for you to

Scream so everyone can hear you
Gotta scream like you just don't care what they'll do
The time has come for you to

Scream like a baby who's left out in the storm
Scream like you've never screamed before

The time has come for you to

The time for quiet is over
Polite has got you nowhere
Ain't it time for you to

Scream so everyone can hear you
Gotta scream like you just don't care what they'll do
Scream gotta take what they won't give you
Scream coz the world won't change till you do

Don't you think it's time for you to
Take the things that they won't give you
Nothings' gonna change
Until you scream
